WELCOME TO THE

WAVERLY HORSE SALE

Leon and Christine Martin

In August of 2024 Leon Martin and his wife Christine became the new owners of Waverly Sales Company. They bring a conservative Mennonite background along with a wealth of knowledge and experience to the sale barn.

Leon's experience comes from both auctioneering and crafting buggies, sleighs, and coaches – especially for Mennonite and Amish clients – in his early years. He has served as an auctioneer for several years at the sale barn and is the driving force behind the well known Legacy Auction Company. His acquisition of Legacy Auction Company in 2018 highlights his dedication to the auction industry and has earned him a reputation of trust and credibility with the public.

Leon is passionate about helping others. He believes in meeting unique needs and treating customers with the same care and respect he'd want for himself. As a faith-based, family business, integrity is non-negotiable at Waverly Sales Company. He ensures that every experience at Waverly is exceptional, never compromising on quality and always adding a personal touch.

Above all, Leon stands by his word. He understands that Waverly's work isn't just about selling horses; it's about helping people.

With his dedicated following, keen industry insight, and a bold vision for building on the traditions of the horse sale, Leon Martin is set to lead Waverly Sales Company toward a bright and promising future.

CITY OF
WAVERLY

Welcome to Waverly! We are excited to welcome you to the Fall 2024 Horse Sale. If this is your first visit you will discover that Waverly is a Goldilocks city. Waverly is big enough to offer you many exciting amenities and still small enough to offer you the small-town hospitality that our VIP Horse Sale visitors deserve.

Shopping? Waverly's Main Street District, located on the Cedar River, is lined with many locally-owned shops which provide for unique gifts, sporting goods, and clothing. The locally owned restaurants, bars, coffee shops and a brewery will be happy to see you.

Recreation? Waverly has more than 12 miles of hiking/biking trails, two golf courses, easy access to the Cedar River, many parks, a disc golf course, the "Kid's Kingdom" playland, a bowling alley. If you want to unleash your inner lumberjack there is axe throwing downtown.

Growth? Does Waverly seem a little bigger since your last visit? Our community is proud of the recent expansion of the Waverly Health Center, the creation of a new senior community in Anna Estates, the construction of two new elementary schools, a two-million-dollar expansion of St. Paul's Lutheran School, an expansion of the Waverly Child Care and Preschool, an expansion of the public library and the addition of a bookmobile. In 2023 there were 11 new retail shops added to our community in addition to a Taco Bell, a Champion Xpress carwash, a Starbucks currently under construction, and soon an Aldi's store. In Waverly our unemployment rate is under 3% and there are jobs waiting to be filled in construction, manufacturing, healthcare and more.

You are invited to return to enjoy our many family friendly events. Waverly Farmer's Market is a community favorite. You will also enjoy events year-round including Art Walk, Heritage Days, Concerts in Kohlmann, Oktoberfest, the Bremer County Fair, the Waverly Horse Sale, Christmas Greetings on Main, and more. The next time you visit Waverly there will a Starbucks, an Aldis, and a movie theater.

LOT 9 - Iceman, a grade 5 year old black Percheron/ Appaloosa crossbred gelding with a white spotted blanket. Stands approx. 17 hands. Foaled May 25, 2019. Iceman as his name says is the coolest horse there is to look at and be around. He lopes around with ease and moves off leg pressure, unlike you would expect for a horse his size. He rides and drives single and double. He has been trail ridden all over and has even been to Mount Rushmore. Ponied thoroughbred colts, tracked the roping dummy and had a rope thrown from him. Iceman is at the right age to be taken to the next level.

She has spent many hours being driven with a baby tied to her side. Has been used for breaking younger animals and her easy demeanor is great to have around. She created my dream team of home raised mules, and has effectively worked herself out of a job. The jack left all my mares open this year so it is time for her to find a new career. Many videos are available of her and her offspring on Facebook page "Half-Ass Horse Adventures".

LOT 431 - It's A Golden Secret 12625 AKA Rusty American Saddlebred Gelding

Atlanta King, by It's The Perfect Storm, out of The Mighty Aphrodite
 Distinguished Miss, by Radiant Sultan, out of Lady Lyles

Stands approx. 14.3 hands. Rusty is a registered 11 year old golden palomino Saddlebred gelding. This horse is the sweetest boy and you'll find—impeccable ground manners, loads and trailers quietly, stands patiently, brought up right, level headed. Fast, eager learner under saddle and harness, he will try if you ask—needs only gentle, light queues and will respond quietly; soft mouth. He runs to the gate, caught without question, and expects kisses on his muzzle after a ride or session—really loves people and partners with you and is truly a pleasure. Rusty opens his mouth for the bridle and likes to work; he's broke to saddle and started with harness. Rusty has a walk, an extended walk, traditional trot, amazing racking action (think Paso Fino) and a canter – he has a nice, lovely neck bend when working. Rusty must have a light-handed experienced rider—there is a lot of speed and action under you—but he's respectful and responsive; no evidence of anything other than gentle horsemanship training. He has not had issues with fencing, other horses or his feet; no known health issues.
